Community Nominated Achievement Award

This month we recognise the kind actions of Jake Robinson in P3 for our Community nominated award. Jake has been extremely brave and helpful towards his mummy especially when she needed extra support. He is always extremely helpful and kind at school too so we are glad this is also the case at home. Well done Jake!

Time for Tests!

It is that time of year again...tests! Each pupil will be completing end of year standardised tests throughout the month of May. This is the second year that we have been using computerised versions of the tests. This is a very effective way of collecting results however it can also be more time consuming. Each class teacher will be following a timetable to use the computers. It is very important that all pupils make an extra effort to attend school during their allocated test week. If for any reason your child cannot attend school during Test Week please let Mrs Hay know in writing.

Grace in Mrs Young and Miss Say-er's class
 Eirinn in Miss Nutt's class
 Emily Hall in Miss Connor's class

Well done to Jennie and Jamie McB for achieving Principal's Points for Praise this month.

Promoting Independence

A huge thank you to everyone for helping make our children more independent by leaving and collecting them at the school gate. This is really much appreciated! If you do need to speak to a teacher personally please do not hesitate to make an appointment.

This month's recognitions

HUGE CONGRATULATIONS to our pupil of the month in each class for March!

PTA Easter tea event

Thank you to everyone that came to our Easter tea event before the Easter holidays. Everyone seemed to enjoy a lovely cup of tea or coffee accompanied by a yummy Easter bun. As some extra entertainment, the choir put on an excellent performance which was enjoyed by all. Thanks to your support the PTA raised almost £400 which will go towards useful resources for our school.

Farewell to Mrs Wilson

After seven years as a Learning Support Teacher here at Donemara Primary School, Mrs Wilson is retiring from her post in June. She has been a wonderful asset to our school and has made a huge impact on pupils' learning. We would like to discreetly present Mrs Wilson with a farewell gift. If you would like to contribute towards

this please send money in a labelled envelope to the school office. It is important that Mrs Wilson is not made aware of this as we do not want to take away from the surprise. We will be very sad to see her go but wish her all the very best for the future.

Cups and shields

Mrs Hay would really appreciate if all previous cup and shield winners could return them to school before the end of May. This will allow time to get them engraved for the new winners.
